

# Self Propelled Aluminium Folding Wheelchair

The Yuwell range of wheelchairs are robust, lightweight and supplied in self-propelled configuration featuring a robust aluminum alloy frame that folds easily for travel or storage.

It includes flip-back armrests and swing-away or detachable footrests for convenient transfers. The 24" rear wheels and 8" front casters offer smooth maneuverability across a variety of surfaces. With a comfortable padded nylon seat and backrest, this wheelchair supports up to 135 kg and is ideal for daily use and transport.
