

10ltr Continuous Flow Oxygen Concentrator

Medical-grade oxygen concentrator designed for both home and clinical use. It delivers a continuous flow of oxygen ranging from 0.5 to 10 liters per minute, with an oxygen concentration between 87% and 95.5%. The device operates quietly at a noise level of 55 dB(A) and features a durable plastic housing for safety and reliability. It also includes a timing accumulation function, displaying total usage hours on the display screen. Suitable for patients requiring higher oxygen flow rates and is CE certified for medical use.

Product Features

- + Medical Grade Oxygen for Home & Clinical Use
- + 4 Stage Noise Filtration System
- + No Power, Low Pressure, Low Oxygen Alarms & Indicators
- + Large clear Backlit LED Display
- + Certification: CE / ISO
- + Supplied with Power Cable 2-pin EU, Humidifier Bottle

	YWL012
Dimensions	410x375x668mm
Oxygen Flow Range	0.5 - 10 ltr
Oxygen Concentration	87 - 96%
Noise Level (dB)	55 dB(A) at 1m
Operational Temperature	5°C - 40°C
Product Weight	24.0kg
Classification	IP22
