

Overbed Table on Castors Piston Elevation

Versatile and practical solution designed to enhance comfort and independence for patients in healthcare settings or home care environments. Featuring a sturdy chrome-plated steel frame and a spacious laminated wood-grain tabletop measuring 80 × 40 cm, it offers ample space for meals, reading, or working on a laptop. The table's height is easily adjustable using a spring-assisted mechanism, ensuring smooth and silent operation. Equipped with four caster wheels, two of which are lockable providing easy mobility and stability.
